Online catalogue

The filtering settings are very responsive. This means when you change the settings the lots get immediately displayed on the screen in accordance to the specified filtering parameters. The selected filters are highlighted green for your convenience. This way you can easily control the number of parameters which are appliedcurrently.

Page navigation

There are 5 photos of each show lot. We tried very hard to choose the exact angle which may show you the main characteristics of the product accurately. Clicking on the photo, you open an extra menu with all the available photos of the lot.

When you click on the photo icon a drop-down menu opens with all available photos of the current lot.

Photo	LOT	Description
	LOT 1	XXL 2 - 1.1 -
	LOT 2	XXL 2 - 1.1 -
	LOT 3	XXL 2 - 1.1 -
	LOT 4	XXL 2 - 1.1 -

Online catalogue

Click on the corresponding lot to view the photos of a chosen lot. You will be able to view several photos of the lot with a more detailed description of the product.

Menu with the photos and the information about the current lot

It enlarges automatically, when you place a cursor on the photo. You can control the enlarging with a mouse wheel.

Enlarging photo

You can click "Open photo" and open it in another window.

An «Open photo» button and a line

Attention! In the first picture, there is a ruler placed by the show lot, which shows the length of the skin. Both this index and an average weigh of the skin, noticed in the catalogue, help you to understand the real size of it.
