

Dear colleagues!

The collection of the December auction was formed from previously unsold goods. The main assortment consisted of XL size skins and less ones, as well as A-quality ones. The auction showed a significant increase in demand for certain positions. The biggest demand was for inexpensive goods sold with an active competition and with an increase of up to 15% to the starting price.

December auction results, 2020.

Goods	Quantity	Sold	Min, \$	Max, \$
Wild sable	52 366	18%	10,00	220,00
Including:	Sold	Min, \$	Average, \$	Max, \$
Barguzinsky	18%	15,00	39,00	62,00
Barguzinsky silvery	14%	46,00	96,00	220,00
II gr and Dam 1	10%	24,00	29,00	31,00
Jakutsky	93%	10,00	18,00	24,00

Summing up the results of the year, we would like to thank our customers for their active support during this difficult time. Thank you for participating in the auction and purchasing the product. Thanks to you the spring collection has already been sold more than 65%.

Our online catalogue online.furs.su is open until December 27, 2020. You still have time to purchase and receive the product this year!

At the moment, we continue to conclude supply contracts for the upcoming season and we invite all suppliers and buyers of Russian fur to cooperate. We are waiting for you at the next auction in January 2021. Follow the news on our website – furs.su!

The team of the «Ruspushnina» auction house wishes you strong health and good luck. Happy New Year and Merry Christmas!

Best regards,
General director (CEO)
Ruspushnina ltd.
